Students Solar Ambassador Workshop 2019

Date: 11/07/2019

Dear All,

Ramrao Adik Institute of Technology (RAIT) is organizing a workshop in collaboration with **IIT Bombay** for FE/SE/TE/BE students on October 2, 2019. This is a hands-on workshop of 4-5 hours duration where students will be trained in assembling a Solar Lamp.

This workshop is part of **Gandhi Global Solar Yatra (GGSY)**, with an aim to sensitize communities across the world on the consequences of climate change and the need to ensure energy sustainability. The concept of Energy Swaraj or localized energy solutions for self-sufficiency can be thought of as an action to mitigate climate change.

Interested students are required to **register their names with Dr. Dhiraj Magare (Email: dhiraj.magare@rait.ac.in)**. The registration fee for the workshop is Rs. 520/- only. The registration kit includes a Solar Lamp and a certificate from IIT Bombay. The amount should be paid in cash latest by Tuesday, July 16, 2019. **The workshop venue is RAIT, Pad. Dr. D.Y.Patil Vidyapeth, Nerul, Navi Mumbai - 400706.**

Student benefits from this workshop:

1. Sensitization on Climate Change and Energy Sustainability.
2. Hands-on training in Solar Lamp Assembly.
3. Take away home Solar Lamp kit.
4. Global recognition by being a part of this endeavor.
5. Certificates from IIT Bombay.
