# Best Practices at T&P, RAIT

- The **website http://rait.placyms.com** is available for the students by **24x7** and has been working continuously since 2012 onwards. The next version is also available to upload.

- Mumbai University curriculum does not have specific mention about internship. T&P at RAIT gives numerous **internships** into reputed industries in a staggered manner so that students should be benefitted and can be fit within their vacation slots.

- T&P, RAIT has come with a unique and new model of internship called as **Remote Internship Program** which may extend upto 3 to 4 months, where students would be allotted a mentor and remotely he/she should be in contact with mentor and visit the industry/mentor as and when required.

- Detailed **performance profile** of students with in-depth analytics on performance and skills

- Verified and Authenticated **Resumes** of each student.

- Department **Faculty In charges** are appointed from each branch for the smooth working of the placement process.

- Strong **Alumni Connect** with Alumni Mentors for current students.

- Making students **industry-ready** through **focused programmes.**

- Organizing **focused and specific training** to final year and pre final year students.

- Regular **interaction with industry**.

- Organizing **industry expert lectures** regularly in subject domain and in general also.

- **Train the trainer** - Industrial training for faculties and students.

- Organizing **Faculty Development Programmes** in industry

- Inviting **industry experts** for interaction with faculty and students

- Taking regular **feedback from industry** about students

- **Identifying gap** between **industry and academia** and informing to concerned departments for further improvements in curricula

- Promoting students to **participate in various industry competitions** such as Hackathon, Best coder of RAIT, Best student Award, Best Student Project Award, Women Excellence Awards, etc.

- Signing **MoUs** with various industries to share their expertise to our students and faculties.

- Provision of **two job offer system** to UG students

- Effective **student mentoring** for placement by seniors.

- **Promoting and encouraging students** for higher studies and civil services examinations through interactive sessions and lectures
