— RAMRAO ADIK —
**INSTITUTE OF
TECHNOLOGY**
NAVI MUMBAI

PLACEMENT BROCHURE

Awarded with 'A' Grade by NAAC

With blessings from

**FROM
PRESIDENT'S DESK**

Dr. Vijay D. Patil

Ramrao Adik Institute of Technology (RAIT) has established itself as one of the premier institutes of India. Our alumni have made their mark in various fields and their achievements stand as a testimony to our endeavor and their hard work. Established in the year 1983, RAIT is an institute where students are equipped with the necessary skills that create successful technologists and global leaders who can steer the world in the direction of growth and development. The confidence posed by the industries of our institute is indicated by the fact that 100% of our students are placed and are serving various leading global industries. I, on behalf of RAIT, invite your company to visit our institute for campus recruitment and other purposeful academic activities of mutual interest.

**FROM
PRINCIPAL'S DESK**

Dr. Ramesh Vasappanavara

As the principal of R.A.I.T. it has been an exhilarating roller coaster ride for me in the past two years. R.A.I.T. throbs with activities both of the curricular and co-curricular kind. Its corridors pulsate with life and happiness. Here, generations of youngsters have tasted academic success and also managed to develop their personalities in the lush atmosphere provided by the college. I take pride in cordially inviting you to participate in our endeavour and look forward to welcoming you to the recruitment program.

DYNANADHEENAM JAGAT SARVAM
THE WHOLE WORLD YIELDS TO KNOWLEDGE

ABOUT INSTITUTION

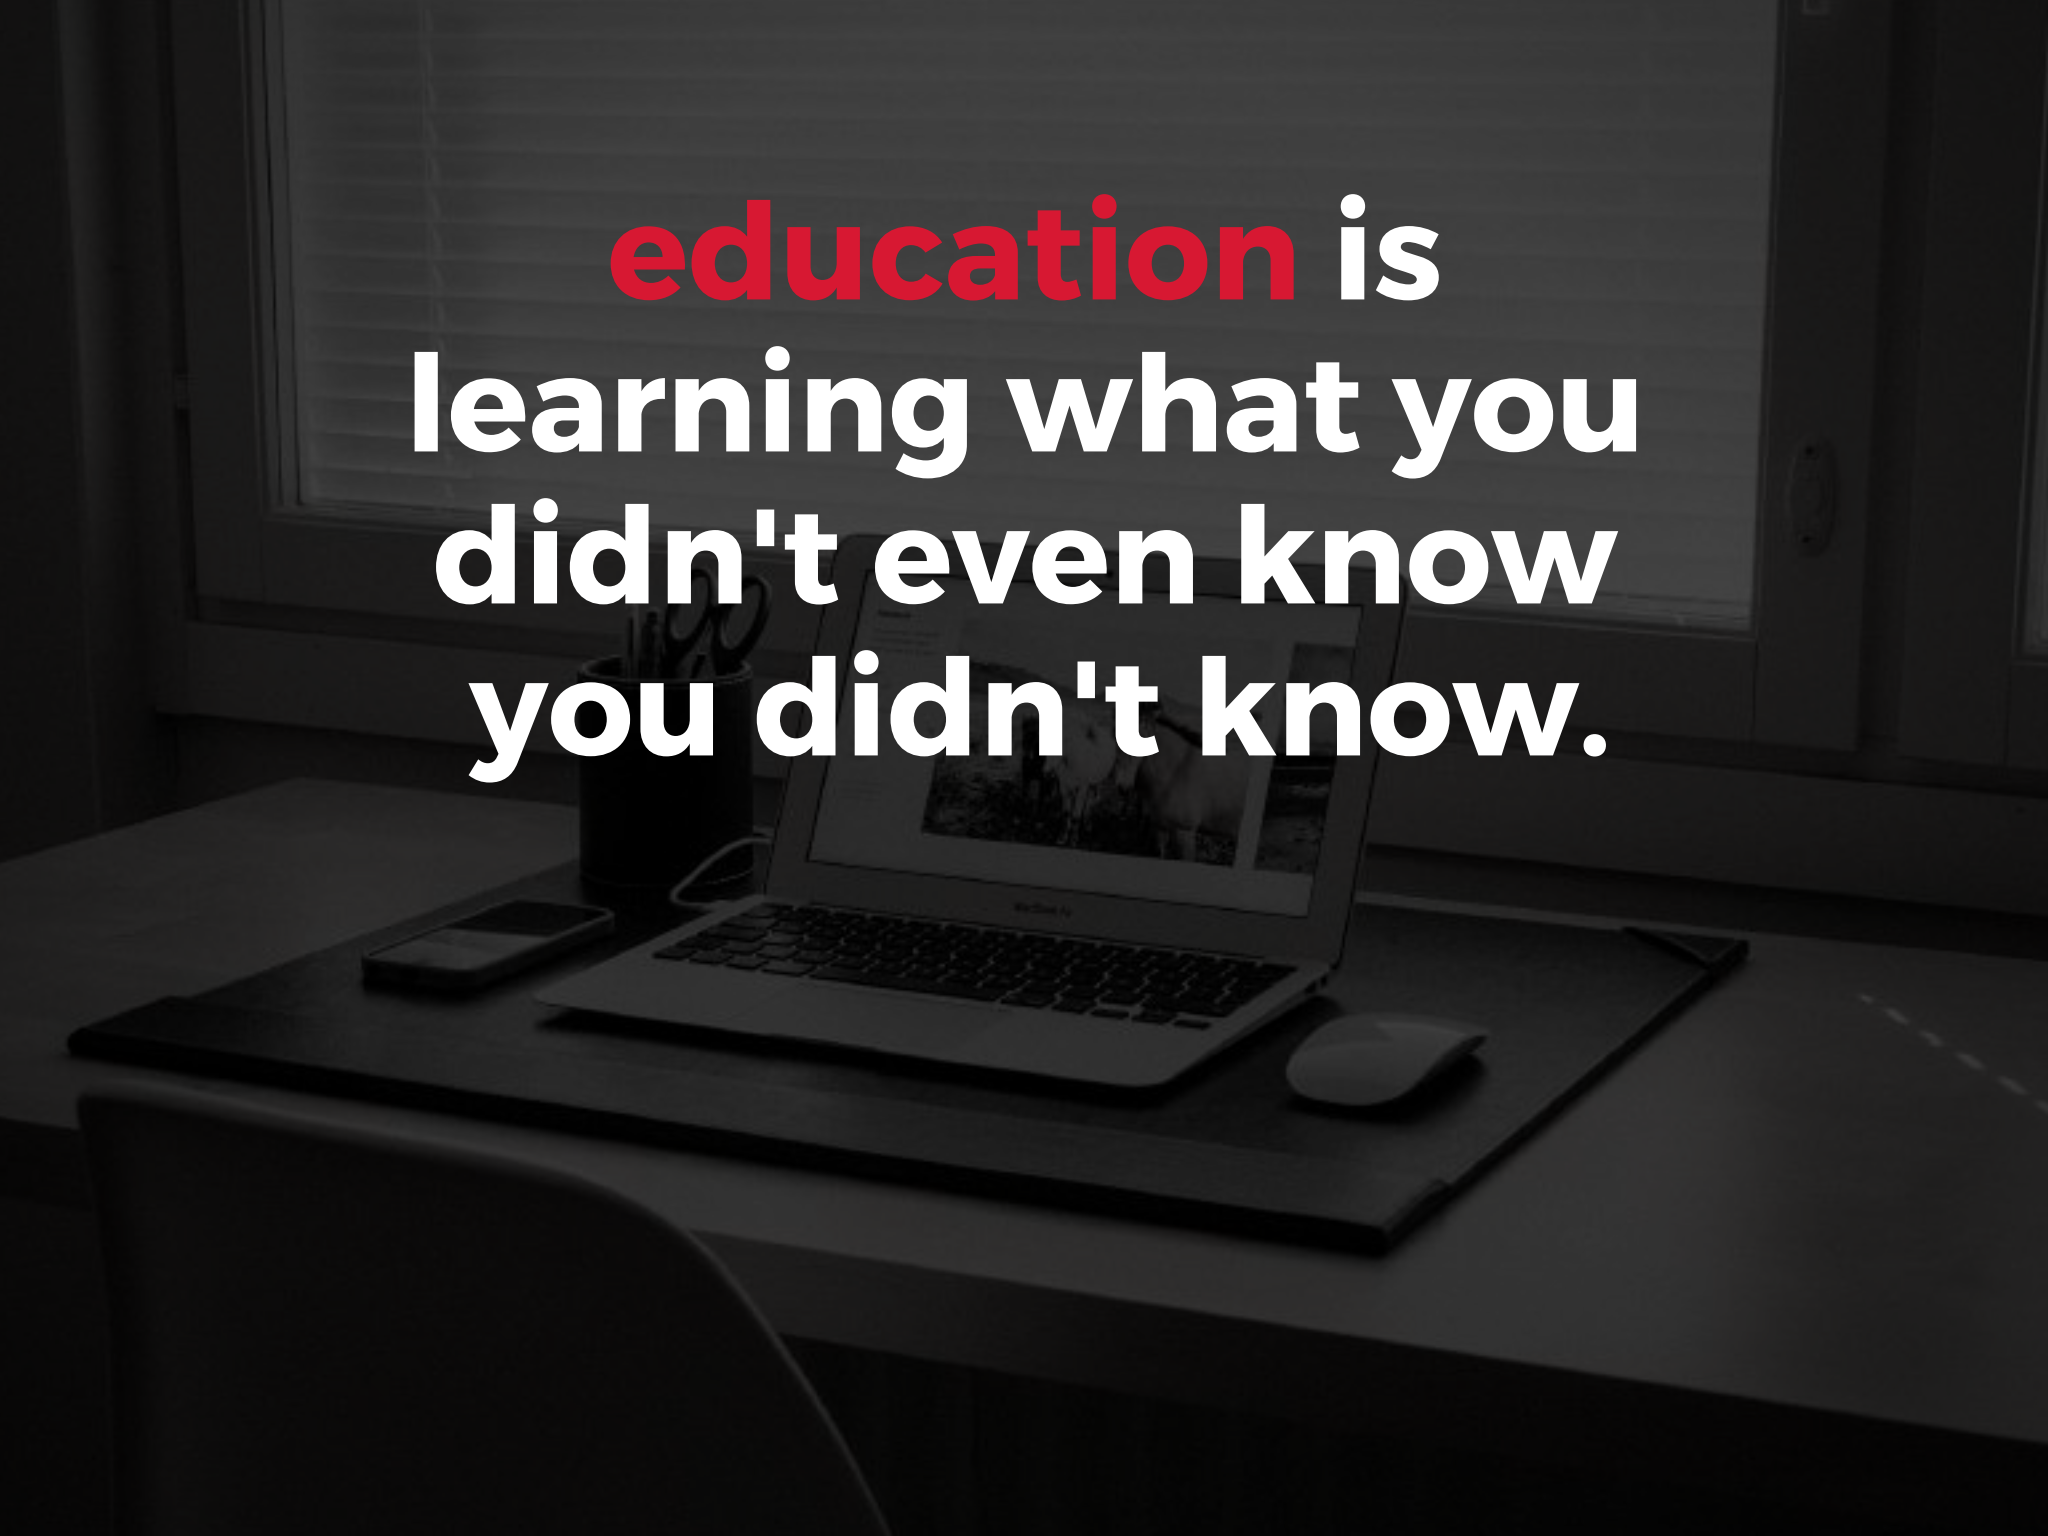

Engineers today have propelled the world to a new era of technological advancement. Blending curiosity with scientific temperament is the need of the hour as the world faces a new set of challenges. Nurturing this spirit for over a 30 years stands RAIT (Ramrao Adik Institute of Technology), a prodigy of Ramrao Adik Education Society. The institute is one of the oldest and finest colleges of Navi Mumbai. Located in the lush green campus of Dr. D. Y. Patil Vidyapeeth Campus, RAIT provides state-of-art amenities, which combined with the experienced teachers and amicable environment ensure an all round development of students. The institution also organizes various student-centric activities which provide students with umpteen number of learning opportunities.

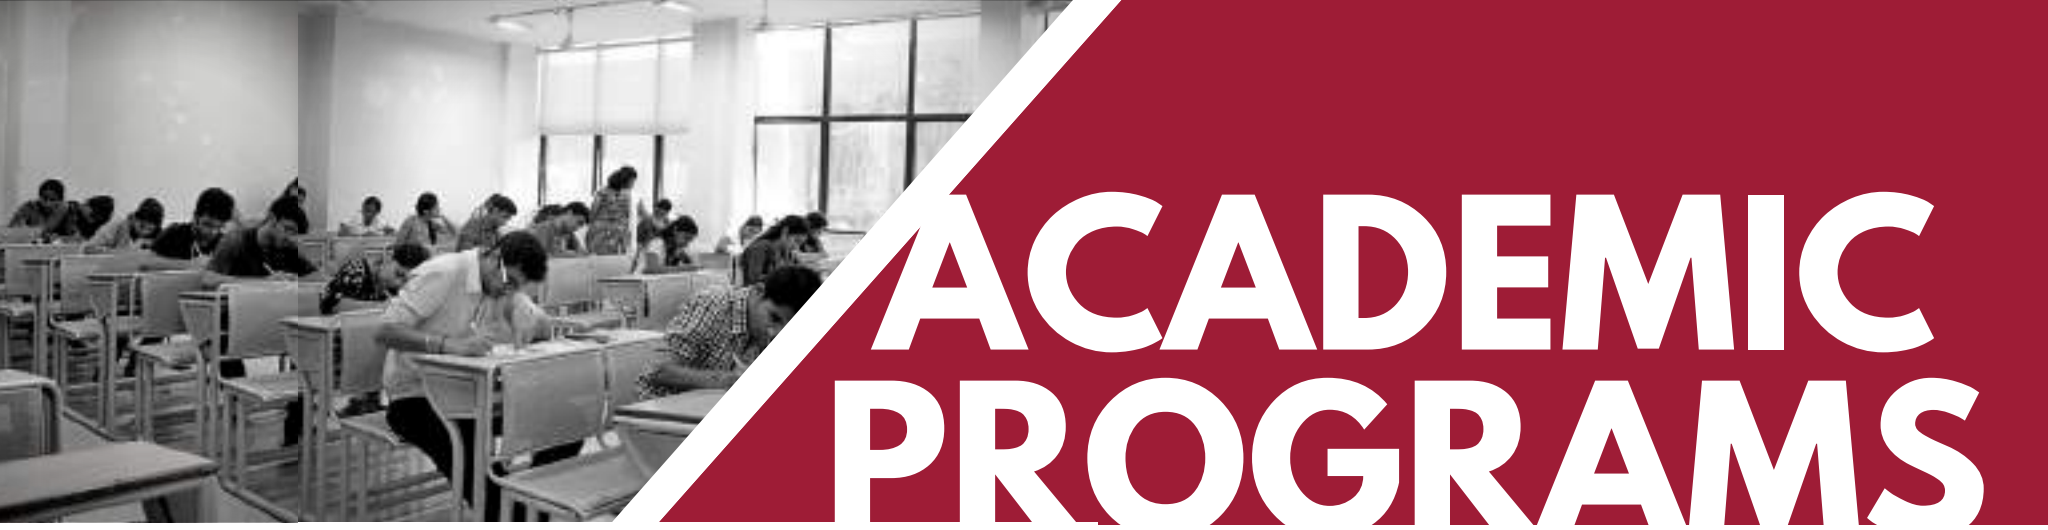

Like most successfully managed institutions, RAIT also believes in following the principles of democratic governance. Various committees are set up to ensure the smooth functioning of the institute. Regular and periodic meetings are held among the committees which involve the management, faculty, and staff to address essential issues & to ensure proper coordination among the various departments, committee conveners, and administrative staff.

An institution progresses when its mainstay, the student community prospers. This can be seen in the various steps taken by the college to ensure a contented student force in its campus. Counsellors are appointed to counsel the students and redress their grievances if any.

The institution follows an efficient system of collecting feedback about faculty performance from the students by Quality Assurance Team of RAIT. The performers amongst students and university rank holders are rewarded with scholarships and tuition fees waivers. The performing faculty also receives recognition from management for their academic performance.

education is
learning what you
didn't even know
you didn't know.

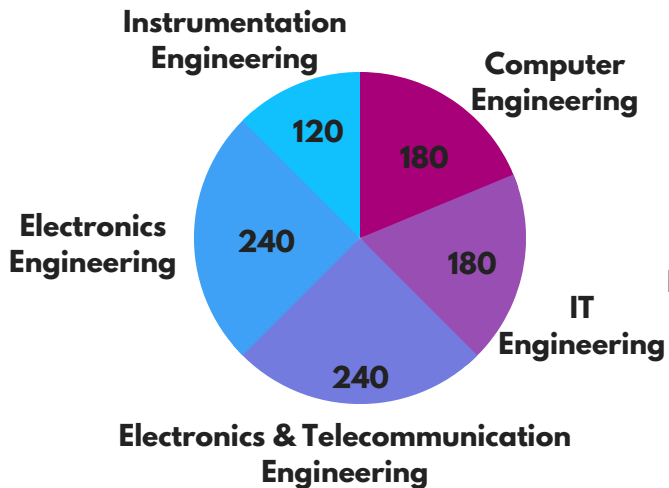

ACADEMIC PROGRAMS

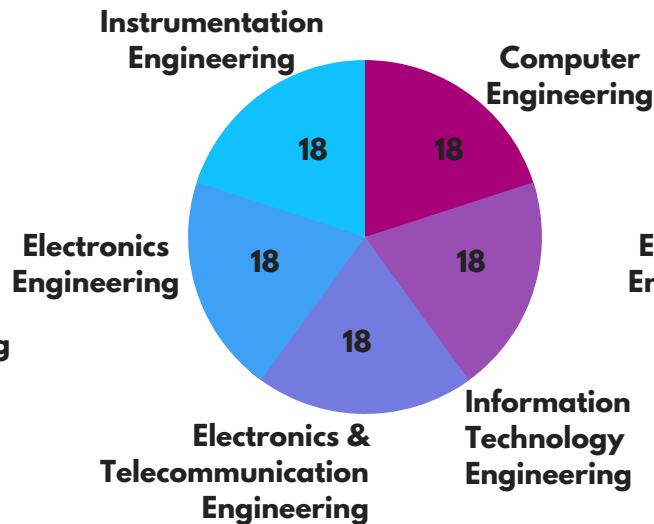

The college offers a plethora of courses including Electronics, Computer, Instrumentation, Information Technology and Electronics and Telecommunication. The institute is affiliated to the Mumbai University. It is recognized by All India Council For Technical Education and by National Board of Accreditation, paving way for a promising future.
